

How to Remove Chemtrail Toxicity/AI Nanotechnology/Morgellons/shedding from your body, foods and clothing:

We are ALL having the severe issue of heavy metals, nano/Morgellons, fungi/Candida, acid, etc. in our bodies whether you are sick from it yet or not – detox is imperative to stay healthy and sustain life!

Be aware that AI (present government) can control who gets sick from shedding over long distance if you are their target – we all targets at the moment through air, soil and water. Vak sines and swaps for testing are ALL bio-warfare to kill off the population. More info on history: Search Janet Ossebaard – The Sequel of the Cabal (trustworthy journalist)

Nano's love low vibrational electromagnetic frequencies, so exposure to microwaves, wifi, mobile, tablet, pc, GPS, voice-controlled speakers and most new electric devices incl. LED lights and electronic meters measuring your consumption in home – all of them make the favourite environment for these AI creatures to thrive and replicate.

Nano's strive in low vibes, so avoid negative thoughts, emotions, environment, people.... Keep a positive mind!

Savannahs daily intake/doings

In house: Drinking only Wetality Water, Air Cleaner 5 filters with UV making an unwanted environment for nano, IQube Scalar Tecknology incl. a Tesla, home harmonized and 350 different kinds of energy mapped and cleared, Poison-free zone, Silverware to eat with, natural vegan (not soy) products and enzymes for washing and cleaning, Fresh-land.dk fruits and vegs delivered almost every week, as self-sustainable as possible in garden and house. I buy as little as possible from stores – still only organic!

Supplements daily: Omnimin Pure multi-vit, B-komplex, Magnesium, Omega 3, C60 oil, Iodine, D-vit, Optibac Probiotic Super, Wetality CBD oil 2 x 3 drops, 2 breaths from Wetality Air pen before sleep. (Zinck is also recommended, which I get through my food).

Drinking daily: Pine Needle Tea 1 liter, 1 big glas with 7 drops Earth Minerals and 1 tsp. Collide Silver, 2 big glasses Hydroxycloquine (for sale), 1-2 liter Wetality Water, 2 tsp raw Apple Cider Vinegar with the Mother 3 x daily before meals (use straw to avoid contact with your teeth).

Food: Homemade smoothie with pure organic strawberries, wild blueberries, aronia berries, papaya and cherries, 5 hips (hyben), ginger and turmeric powder, grounded milk thistle seeds and flax seeds, 1 tbs super greens powder with spirulina, 1 crab of almonds, fresh orange juice. (I use a variety of fruits and berries – mostly cut out and frozen down by myself from fresh deliveries). All colors represented in daily intake.

Vegetarian diet with a little bit of fish once a week. A broad variety of fresh fruits and vegetables raw as much as possible. Glutenfree and mostly lactose-free diet.

Wash ALL foods no matter from where you get it in clean water added vinegar and baking soda or bicarbonate of soda – soak it for about 20 minutes. Rinse with pure water and store it or eat.

If need for sweet – some dates dipped in raw chokolade bites or hazelnuts and raisins together, or vegan slush-icecream frozen down (only vegans >I am vegetarian, not vegan< can eat yummi icecream every day with a healthy result).

Bath: Body-scrub daily with Seasalt with iodine mixed with less than a tsp natural parfume-free liquid soap added a few drops Tea Tree Oil. Shampoo is added a few drops Tea Tree Oil too.

Washing: Use only natural detergent like enzymes, washing nuts, etc. – add 1-5 drops of Tea Tree Oil + for example 5 drops Lavender, Rosemary or alike to fresh up your laundry. Dry in UV-light if a clear day without too many chemtrails. UV-lights kill of nano.

UV-light: Be outside – preferable in the sun for at least ½ hour daily (Sun is beneficial and provide D-vit and activates the utmost imperative Pineal Gland and spiritual evolution – please never use Sun protection, rather be exposed in more short periods of time)

Recipes

Pine Needle Tea: Double V-needles from f.ex. Douglas Fur or some Christmas trees. Rinse in clean water. Chop them roughly. Boil water. When bobbles are gone pour over the rinsed needles. Drink from pot 3-5 cups daily. Its beneficial to add **1 drop Tea Tree Oil, 1 drop Peppermint Oil and 1 drop Oregano Oil to the water** as well. You can also add **Fennel seeds**. Can easily be kept in cooler too, so you drink it cold.

Homemade **Hydroxycloquine:** Boil the peelings of 3 grapefruits and 3 lemons for 3 hours. Take off the heat to cool down. Let the lid stay on all along, as the active ingredients drip down from the lid. Strain and keep in cooler. Drik 2-3 tbs. a day. Cleanse the entire system.

Frozen lemon shredded over salads, etc. – super high in C-vitamins

NANO DETOX BATH 1 cup Baking Soda, 1 cup Epsom Salts, 1 cup Mule Borax, 1 cup of Alfalfa (Lucerne) pellets, 1 cup pink Himalayan salt or Redman's salt, drops of Tea Tree Oil, Peppermint oil and Oregano Oil in the hottest water you can lie for 40 minutes – soak as much of your body as possible. Rinse afterwards and remove stuff from bath tub with gloves on. The morgellons will leave your body and attach to the Alfalfa (more preferable food for them than your body)
